Item 4: Other Business Activities

Mr. Costa is a registered representative of Securities America, Inc., member FINRA/SIPC. He may offer products and receive normal and customary commissions as a result of these transactions. A conflict of interest may arise as these commissionable securities sales may create an incentive to recommend products based on the compensation earned.

Mr. Costa is a licensed insurance agent/broker. He receives commissions from the sale of non-variable insurance products. The receipt of insurance commissions can give him an incentive to recommend insurance products based upon his compensation rather than the client's needs. However, Mr. Costa seeks to act in the client's best interest at all times and, specifically with respect to insurance, he explains to clients the conflict of interest and emphasizes that they may purchase insurance products elsewhere, purchase other products, or not purchase insurance at all.

Item 5: Additional Compensation

Mr. Costa does not receive any other economic benefit for providing advisory services in addition to advisory fees, nor does he receive any economic benefit for providing advisory services to anyone other than clients of Bare Wealth Advisors. He also does not receive any bonus based on number of sales, client referrals, or new accounts.
