Item 4: Other Business Activities

Mr. King is a registered representative of Securities America, Inc., member FINRA/SIPC. He may offer products and receive normal and customary commissions as a result of these transactions. A conflict of interest may arise as these commissionable securities sales may create an incentive to recommend products based on the compensation earned.

Mr. King is a licensed insurance agent/broker. He receives commissions from the sale of non-variable insurance products. The receipt of insurance commissions can give him an incentive to recommend insurance products based upon his compensation rather than the client's needs. However, Mr. King seeks to act in the client's best interest at all times and, specifically with respect to insurance, he explains to clients the conflict of interest and emphasizes that they may purchase insurance products elsewhere, purchase other products, or not purchase insurance at all.
